ABOUT US

Since 2006 we've welcomed over 5000 tennis/racket sport enthusiasts into the Active Away Family.

Being part of a family means we care for each other & support each other through trust, honesty & respect. We know how to get along with people.

Tennis is our passion, and we want to share that with you; we've collaborated with 7-time grand slam champion Jamie Murray to design a unique doubles tennis programme for our Adult Tennis Holidays and Clinics, and delivered by our expertly trained team. Hosts are friendly, amenable, kind, considerate, passionate, knowledgeable and experienced. They are on hand 24 /7 to make sure your experience is one you'll never forget!

Like any family, here at Active Away we have shared values that guide us as we live, travel, learn and experience together.

Active Away has thrived due to the strength of our community. We wanted to have a digital place where that community can interact and engage. Alongside this platform we also wanted to provide some exclusive benefits that our community will love.

FREQUENTLY ASKED QUESTIONS

01

How do I find out how many spaces you have left?

A: Please visit [this link](#) to check live availability for our events. This page updates in real-time with current event numbers.

02

Are flights included?

A: Following on from feedback in 2021, we removed flights as part of the package.

03

Why do I have to pay the Single Occupancy Supplement?

A: Our pricing is based on 2 sharing a room and all prices displayed on our website are 'Per Person' so the Single Occupancy Supplement needs to be added to your booking if you are staying in a room on your own.

04

How do I know what playing level to put?

A: One of our biggest challenges is making sure everyone is matched up to someone of a similar standard. Here's a little more information:

You will Play Up & Play Down - There will be times during your Active Away Tennis Holiday where you 'Play Up a level' (maybe even against the coaches) and also times where you'll 'Play Down a Level.'

We try to make this as even as possible. Please visit [this page](#) to see our self rating guide.

05

Are airport transfers included?

A: They aren't included with our base package, but can be added on the booking page. You can read more about [Airport Transfers here](#).

06

What's the difference between Liberty Sentido and Liberty Village?

A: Liberty Sentido is Adults Only, whereas Liberty Village is Welcome to All.

However, as we have been working with the hotel for over 12 years, all Active Away clients have access to both sides of the hotel, including their facilities.

It is around 10% higher quality in the Sentido than at the Village, although the tennis courts are located in the Village!

For more information on our FAQs, please visit [here](#).

Each destination and event page also features a dedicated FAQ section at the bottom, where you can find answers to specific questions about your trip.

DRAGONS' DEN

Matt Allen and Steve Davies from tennis holiday company Active Away went inside the BBC's Dragons' Den and subsequently secured investment from Peter Jones, a big tennis fan.

The response we have had since our Dragons' Den appearance has been incredible from both our current and new clients. It's provided Active Away with excellent exposure and brought new members to the Active Away Family.
