Our Story. Written together.

50 Years of the Finest Greek Hospitality

Every great journey begins with a dream.

In 1976, on the island of Kos,
that dream reshaped hospitality-putting
people and genuine care at its heart.

Inspired by the Greek tradition of philoxenia,
we created places where guests feel welcome
and at home. Around every table, meals are shared,
glasses are raised, stories are told, and simple
moments become lasting memories.

With authenticity and respect,
we continue to offer experiences
that bring people together.

**Because every guest is unique.
Every experience is personal.
And every moment of taste and celebration
becomes part of our shared story.**
